1. Samuel Crosby, House Appropriations Committee staff, called the DCI's office to advise that Representative George H. Mahon (D., Texas) was going to Europe tomorrow and would like to make arrangements to be briefed [redacted] General Cabell and Mr. Warner will meet with Mr. Mahon tomorrow.

2. Attempted to see Representative Kearns and eventually talked by telephone with Miss Helen Carlson. I indicated there were certain problems about Mr. Kearns' previous proposal and consequently we felt we were not in a position to assist him in his request. Miss Carlson said there should be no concern on this since Mr. Kearns himself had had second thoughts about the matter and had suggested to Miss Carlson that the matter be dropped. In any event, I left a reprint of the U. S. News & World Report interview of the DCI indicating the Agency policy on involvement with the press. Miss Carlson stated that she would advise the Congressman of my call.
